## ROOM B & AROMATHERAPY ASSOCIATES PRODUCTS

---

Room B is delighted to offer the award winning Aromatherapy Associates in their body treatments. Specialised well being treatments with an added focus on areas of the body and mind that need extra care and attention. The essential oils work on an emotional level clearing the mind, bringing harmony to the emotions as well as having a therapeutic value to the body. The oils will continue their therapeutic effects for several hours after the massage has finished. We also offer a comprehensive range of products for home care use to enhance your aromatherapy experience, and enable you to carry on your treatment plan at home.

*(It is essential to let your therapist know if you even think you may be pregnant).*

### ULTIMATE AROMATHERAPY EXPERIENCE

*£55 (60 mins) or £85 (90 mins)*

Relax, De-stress, Revive and Support - A powerful and effective fusion of eastern and western massage, using the very finest oils. Clients can choose from 'Thirteen Unique' formulations specially developed to the needs of each individual client, after a careful consultation with their therapist. The blend chosen will balance the mind and promote healing and physical well being.

### INTENSIVE MUSCLE RELEASE

*£30 (30 mins) or £60 (60 mins)*

This specialised massage treatment is particularly recommended for tense, aching muscles and joint discomfort in the neck, shoulders, lower back, arms and legs. The technique used in this massage incorporates specific pressure points along the spine to release major physical and emotional tension thus aiding the rebalance of the systems of the body. Key oils in this treatment are rosemary, ginger and black pepper.

### AROMATHERAPY ASSOCIATES ROSE HYDRATOR BODY COCOON

*£60 (60 mins)*

This comforting restorative treatment begins with a gentle olive grain exfoliation. Hydrating body gel, rose oil and rich renewing body cream are luxuriously massaged into the body. Wrapped in a heated blanket these beautiful products are absorbed into the skin, whilst a pressure point scalp massage is carried out to release tension and relax the body and mind. The skin is left feeling hydrated, nourished and silky soft.

### IMMUNE RECOVERY

*£60 (60 mins)*

This treatment focuses on the areas of the upper body that are put under stress when suffering from viral conditions such as coughs, colds, flu, chest infections and seasonal allergies. Key oils in this treatment are eucalyptus, tea-tree and peppermint.

### INDIAN HEAD MASSAGE

*£35 (35 mins)*

This back, head and facial massage is ideal for any client who is holding stress within the scalp, neck and shoulders. Tension can build up in these areas, causing headaches and sinus problems. Specific pressure points are targeted to help relieve these symptoms.

### ADDITIONAL BODY TREATMENTS

---

#### ROOM B SWEDISH MASSAGE

*£45 (60 mins)*

A deep tissue massage which encourages healthy blood flow around the body, and relieves tightness and knots in the muscles. This massage is carried out with a nourishing body cream and will leave you feeling both relaxed and revitalised. Ideal following excessive exercise.

#### ROOM B BACK, NECK & SHOULDER

*£25 (30 mins)*

A deep tissue massage for the back, neck and shoulders, ideal for releasing tension in those areas.

#### THALGO BODY POLISH

*£27 (35 mins)*

Great before a holiday. Using an exfoliator to get rid of any dead skin cells, followed by an application of hydrating body lotion, this treatment leaves your skin silky smooth.

#### THALGO TREATMENT WRAP

*£55 (75 mins)*

This treatment involves a marine detox body scrub, followed by an application of a seaweed rich in essential minerals. Relax whilst the therapist performs a specific massage technique to balance the body. A warm mask is applied, allowing you to relax for 20 minutes encased in a heated blanket, whilst a therapeutic head massage is carried out. After taking a warm shower, the treatment is finalised with an application of body lotion or gel.
